

AMANDA

I have to get to Shallowbrook! It's my mother ~~she's sick. And -- it's bad this time.~~

INT. *A* SHALLOWBROOK FACILITY LOBBY - DAY

Talk to a Doctor.
Amanda, Michael and Ernie stand at the reception desk. A white-coated DOCTOR approaches them.

DOCTOR

Hello, Amanda. I'm sorry to see you again under these circumstances. We tried to reach your aunt --

AMANDA

How is my mother?

DOCTOR

We had to restrain her. Her medication isn't having any effect this time. I hope your presence will calm her.

AMANDA

Can I see her now?

~~The doctor looks at the two men.~~

DOCTOR

Only two people can come into the room.

AMANDA

Michael will come with me.

Michael looks surprised.

INT. *A* SHALLOWBROOK FACILITY HALLWAY - DAY

As the three approach Glory's room, they hear her screams.

GLORY (O.S.)

Don't let him get closer! It's the bad thing, the bad thing, the bad thing!

Amanda flinches at the words and then runs forward.
