

INT. APARTMENT - NIGHT

Daniel ~~starts to walk in~~ through the door ~~of the apartment~~. He is sweating and looks nervous. He closes the door behind him. He pulls a little box out of his pocket. He opens the box. There's an engagement ring inside. ~~He~~ hears someone vomiting. ~~The sound is coming~~ from the bathroom door. He walks over to the bathroom door. He listens on the door. ~~Someone is still vomiting~~. The vomiting stops. Daniel ~~begins to knock~~ on the door.

DANIEL

Maya, it's me. Daniel. Are you okay?

MAYA

No, I'm not okay. I feel ill.

DANIEL

Do you want me to call a doctor?

MAYA

No.

Daniel ~~is hearing the sound of~~ running water and the brushing of teeth. He ~~begins to~~ look at the box again, thinking ~~Oh my God, I don't know what to do. I am too insecure~~. He ~~starts to put the box again into his pants pocket which he removed the ring box from a minute ago~~. Maya is walking out of the bathroom. She doesn't look like she feels good.

DANIEL

Are you sick?

MAYA

I don't want to have dinner with my parents. As you know, this is the first time you are going to meet my parents and I just know it's not going to go well.

DANIEL

Yeah, I was thinking about that, too. And I have to say it really worries me because I really want this to go well.

MAYA

Me, too. But I just know it won't.

DANIEL

It's because of their veganism, isn't it?
